

Hayward Super II Pumps Offer High Performance and Quiet Operation

The Hayward Super II blends cost efficient design and high performance engineering with durable, corrosion proof construction.

Designed to provide trouble-free service in the most demanding installations. The Super II features a large "see thru" polycarbonate cover, super size debris basket and exclusive "service-ease" design for extra convenience and easier operation.

The single piece volute and strainer are produced with Hayward's durable PermaGlassXL™ material.

S310T2 Pro™ Series Sand Filter is a Popular Choice

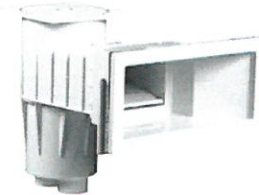

Hayward Pool Products offers the S310T2 Pro™ Series High-Rate Sand Filter as durability and performance leader for both residential and commercial filtration installations.

Like all Pro™ Series filters the S310T2 is molded of durable, corrosion proof, polymeric material and features unitized tank construction for years of trouble free operation with minimal care. The S310T2 comes complete with Hayward's ultra reliable 2" Vari-Flo™ multi-port valve.

Choose the S310T2 filter anytime you have a high performance pool equipment requirement where durability matters.

Model 3400 Skimmer Now Available in Wide-Mouth Liner Version

The 3400 Series Automatic Skimmer is ideally suited for pools where a value priced full-size residential skimmer is desired. Now the popular 3400 Skimmer is available in a wide mouth version.

The Model 3400 Skimmer is one-piece injection molded of corrosion proof ABS with UV inhibitors.

Multiple plumbing options offer 50mm slip, 1 1/2" internal and 2" external threaded choices.

Now available for immediate shipment in a Wide-Mouth liner version by ordering Model 3400WM. Contact Hayward IMG Customer Service for further details.

ProHayward PAR56 LED Lamp Now Available

ProHayward is pleased to announce a 15W, 252 LED lamp in both RGB and white options.

The lamp body is manufactured of ABS and the lens is of polycarbonate sonic welded to assure leak proof design.

The 252 LED's offer bright lighting with long term

performance. For the RGB version, color changing is through the on/off switch and the white light is suitable for commercial installations preferring traditional lighting.

Easy installation results in dramatic lighting effects and reliable performance with energy savings. These lamps are in-stock and ready to ship with orders.

Contact Hayward/IMG Customer Service for further details or including this product your next shipment.

ProHayward Hard Shell Life Ring Now Available

For the convenience of Hayward distributors Hayward/IMG is pleased to announce availability of a hard shell life ring.

The bright orange 30" life ring is manufactured with a long lasting HDPE outer case over a super buoyant polyurethane core.

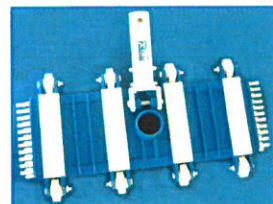

The life ring is fitted with a white nylon rope for easy grasp of the life ring by users and the ring features reflective tapes for added visibility.

The ProHayward life ring is ideal for public pools at hotels, sports clubs and housing complexes.

The life ring is a good complement to your regular pool equipment selections of Hayward and ProHayward adding to your Totally Hayward product offerings.

Long Lasting ProHayward 14" Vacuum with Side Bristles

The 14" vacuum head with fully enclosed

heavy weights keeps the vacuum submerged and hugging the bottom and curves in pool walls.

Side and bottom bristles make cleaning tile pools super easy saving time and energy.

ProHayward Ladders are Totally Hayward

ProHayward ladders are the perfect choice for builders that want to offer a "Totally Hayward" package to their pool customers.

ProHayward ladders are AISI 304 stainless steel in easy-to-grip 43mm diameter tube size and are polished to a mirror-like finish. Each tread features the Hayward logo and each ladder is individually boxed.

For more information on the products featured in Newsplash, please contact Hayward/IMG at fax: 909.444.0327, email: img@haywardnet.com or go to www.Haywardpool.com
